

# ADVANTAGE PLUS

Program

## Peace of Mind

Let Schaefer take care of all your after-purchase system needs. Receive ongoing confirmation that your Schaefer equipment is working properly. Also, with the Advantage Plus Program, you'll have salt delivered for your water softener, while eliminating unexpected repair bills.

## Water Softeners

- First 3 months of Advantage Plus FREE on new equipment
- Regularly scheduled salt deliveries including a six point check up
- Annual preventative maintenance including:
  - Check bypass
  - Check brine tank for proper level and operation
  - Repair any problem areas
  - Check resin or media quality
  - Covers parts and labor on the system
- Rental softener program available
- Municipal and private well application programs

## Automatic Filters

- First 3 months of Advantage Plus FREE on new equipment
- Annual scheduled service call
- Rebed filter media if needed
- Clean and check all equipment
- Covers parts and labor on the system

## Drinking Water Systems

- First 3 months of Advantage Plus FREE on new equipment
- Annual notification for FREE cleaning and sanitization
- Replace filters (carbon and pre-filter)
- Visual inspection
- Product water test
- Repair any problem areas
- Replace Reverse Osmosis membrane as needed
- Covers parts and labor on the system
